**Abbreviated History of Services of Officers of the  
Political Department below the substantive  
rank of Resident serving in the  
North West Frontier Province**

---

This list, which was first published in 1911, is unofficial and unauthoritative, and does not profess to be accurate. For example, it takes no account of the time actually spent in joining between two appointments: short temporary appointments for less than a month are noted in the remarks column or ignored altogether, and privilege leave, when taken by itself, is not shown. Appointments held "in addition" to the main gazetted appointment have been noted in the remarks column.

Any mistakes discovered in the list should be brought to the notice of the Secretary to the Chief Commissioner.
